

Amazon Smile

Amazon Smile is a program where Amazon donates one half of one percent of the price of products to charitable organizations. North County Model Railroad Society is organized as a non-profit club and therefore eligible for this donation.

A half of one percent does not seem like much until you consider how much the average person purchases from Amazon in a year. This program could provide significant income to our club.

The price is the same for a product purchased on the Amazon Smile site or regular Amazon.

Please ask your friends and family to participate.

There are two ways to find the Amazon Smile website:

#1. Enter - <https://smile.amazon.com/ch/33-0478444> - in the web address or search bar of a web browser such as Chrome, Safari, Firefox, or Edge. Enter your Amazon log-in name and password or create an account. Your amazon.com and amazon.smile.com sites use the same account name and password.

#2. Go to smile.amazon.com and search for North County Model Railroad Society in the section "Supporting". See the screenshot below. Note that North County Modular Railroad Society is the same as North County Model Railroad Society.

The screenshot shows the Amazon Smile interface. At the top, the Amazon Smile logo is visible, along with the user's name 'William' and location 'Oceanside 92056'. The search bar contains the text 'kadee couplers ho scale 148'. Below the search bar, there are navigation options like 'Toys & Games' and 'Shop Toys by Age'. The main content area displays a product listing for 'HO Whisker Coupler, 9/32" Center (2pr)' by Kadee Quality Products, CO. The product is priced at \$6.49 with free shipping. A red arrow points from the 'Supporting: North County Modular RR Society Inc.' text in the top navigation bar to the product listing. The product listing includes a note that the item is eligible for Amazon Smile donation and is returnable in 30 days. The right side of the page shows the product's availability, delivery date, and options to add to cart or buy now.
